

Wizard score sheet

Teamzy

Write the players' names at the top. In round 1 everyone gets 1 card, in round 2 two, and so on. Before playing, note everyone's bid; after the round, the tricks they won and their new total. The match ends on the "End" line for your number of players.

ROUND = cards	PLAYER			PLAYER			PLAYER			PLAYER			PLAYER			PLAYER			END

Bid made: 20 points, plus 10 a trick taken (bid 0, took 0: 20). Bid missed: -10 a trick off, over or under; the tricks taken score nothing.
The highest total wins; a tie shares the win.
Number of rounds: 20 with 3 players, 15 with 4, 12 with 5, 10 with 6.
